

First Aid & Toboggan Competition

Categories

MOUNTAIN - This team is made up of CSPA patrollers and may include no more than one CSPA training personnel. Definition of training personnel: on-hill, on-trail, and all forms of first aid going back 4 years.

ROOKIE - This team must be made up of three CSPA patrollers who have never competed in a Division First Aid Competition and may not include any CSPA training personnel. The team members must be in their first 3 years of the patrol.

OPEN - Any team, which could include patrollers from outside Mountain Division, paid patrollers or teams with more than one CSPA training personnel.

NORDIC - Not a separate category - first aid only.

The team with the highest first aid mark of the Mountain or Rookie categories will be sent to the NAC competition every third year with financial support from Mountain Division. Notwithstanding this, teams may attend the NAC competition on behalf of their zones, local patrol or on their own.

Revised June 2006
